Bro. C. E. Spencer was granted leave of absence by the Moderator on account of sickness.

The Devotional Committee reports that Eld. W. W. Jarrell preach Sunday evening at 7 o'clock.

SUNDAY NIGHT

Owing to the inclemency of the weather the congregation decided it best not to remain for preaching, and the congregation retired to their homes.

MONDAY MORNING

At 8:30 the house was called to order. After a few good songs, the first chapter of Hebrews was read for a lesson; the prayer was led by Dr. J. G. Chastain,

Business of the convention taken up as follows: Called for detained letters, and Bro. J. D. Long presented one from Jackson Camp, and his name enrolled as the only messenger present.

On motion, carried that the roll be called Tuesday morning, and only the names of those answering "Present" appear in the Minutes, unless for a good cause they be excused by the Moderator or Association at large.

At the close of the general business period the Moderator called for the reports of Committees which were read as follows:

BAPTIST LITERATURE

We your Committee on Baptist Literature report as follows: First of all we recommend the reading of the Bible, because in it we find the authority for our church and its practice. Because in it we find the Divine and moral laws; because in it we find our duty to God and our fellow man; because it is the only book written by the dictation of the Holy Spirit.

Second, we recommend the reading of some good religious papers such as *The Baptist Builder*, published by the beloved Brother I. N. Penick at Martin, Tenn., and *The Baptist Record*, published at Jackson, Miss.

For Sunday School work we recommend the Southern Bap-

tist literature, published by the Southern Baptist Sunday School Board at Nashville, Tenn. We recommend that good Baptist literature be kept in the homes for our children to read so as to discourage novel reading by our young folks. Respectfully submitted.

A. G. W. BYRAM, *Chairman.*

Report received and discussed by A. G. W. Byram, J. G. Chastain, A. L. Anderson, Chas. Nelson, Eld. J. D. Franks, N. T. Clayton, G. W. Butler, J. D. Long, W. O. Stockton, and was then adopted.

Elds. J. F. Measells of Amory, Miss., and J. D. Franks of Tishomingo Association, also representing Mississippi College, were cordially invited to seats with us.

The Devotional Committee reports that Eld. J. D. Franks preach at 11 o'clock a. m. and Eld. J. F. Measells preach at 2:30 p. m.

SUNDAY SCHOOLS

We your Committee on Sunday Schools beg to report the following. We find by reading the letters from the various churches, that the Sunday School work has been neglected to a great extent. We believe that this is one of the greatest institutions of the church, in that it better prepares us to receive the gospel. Therefore we earnestly request that every Baptist, especially in this Association, put forth every effort possible to carry on this most important work. Respectfully submitted.

O. L. YARBER, *Chairman.*

Report received, and spoken to by Eld. N. T. Clayton, Eld. Chas. Nelson, Eld. J. F. Measells, Eld. J. D. Franks, Eld. A. I. Andrews, S. T. Graham, J. D. Stevens, J. E. Summers, W. O. Stockton, Eld. J. F. Benson, W. J. Winsett, G. W. Butler, and adopted.

Bro. G. W. Pugh presented a detained letter from Shiloh which was read and his name enrolled as the only messenger present.

Bro. Pugh stated that he was detained on account of the serious illness of his brother and would like for the body to release him for the same reason, and a motion that carried granted his request, hoping he would find his brother better.

SACRED MUSIC

Your Committee on Sacred Music reports as follows: Sacred Music, we believe, without a doubt, is one great part of the worship of God. That when children of God sing with the Spirit and understanding, there will be great work done in the upbuilding of the cause of Christ by the song service. We do ear-

nestly hope and trust that there will be a singing choir in every church that will always be ready to sing praises to God. When we are done singing praise, on this earth, to God, then we will bid all goodbye and sing with the Heavenly choir while the ages roll on. Respectfully submitted.

W. F. McCoy, *Chairman.*

Received and discussed by W. F. McCoy, Eld. J. F. Benson, Dr. J. G. Chastain, and adopted.

Dismission was given for preaching and refreshments.

At 11 o'clock the choir sang some good songs, and Eld. J. D. Franks read the 4th chapter of Ephesians and delivered a masterly discourse on Education, which was both received and appreciated by all present.

Eld. N. T. Clayton having almost entirely lost his sight and having borrowed a small sum of money to have his eyes treated, Eld. J. F. Benson asked for a contribution to pay that part of the debt unpaid, amounting to about $30.00. The congregation quicky and cheerfully contributed $33.00 for his relief.

A bountiful dinner was spread and served the congregation.

After refreshments the messengers and people assembled and prayer led by Eld. Chas. Nelson and proceeded to attend to the business of the Association.

Call for the report on Missions, which was made a special order of business for this hour.

MISSIONS

We your Committee on Missions submit the following: We believe it to be our sacred duty to convey the Gospel to the whole world, and should be carried by Baptists, as they have the truth as it is written in God's word. We believe in the organized work and recommend to the churches that they co-operate with same. Respectfully submitted.

J. F. Benson, *Chairman.*

Report received and discussed by Eld. A. L. Andrews, Dr. J. G. Chastain, Eld. J. F. Measells, Eld. Chas. Nelson, and continued until after the preaching service.

At 2:30 the stand was occupied by Eld. J. F. Measells, who read the second chapter of Titus for a lesson, using the 14th verse as a text. The people attentively listened to as grand a message as has ever been delivered by man on the theme, "The Great Transaction." Eld. N. T. Clayton offered the closing prayer.

After the preaching service the discussion of the report on Missions was concluded by Eld. J. F. Benson, who called for a contribution for Foreign Missions, whihc amounted to $7.00, and

the report adopted.

On motion we adjourned to 8:30 Tuesday morning.

TUESDAY

According to adjournment the Association met at 8:30 a. m. The devotional exercise was conducted by Eld. J. A. Rogers, who read a portion of God's word and gave some timely suggestions and remarks. Prayer led by Eld. B. F. Whitten.

House called to order by the Moderator. Visiting brethren invited to seats with us as follows: Eld. B. F. Whitten, Memphis, Tenn.; Eld. J. A. Rogers, Amory, Miss.

Call for reports of Committees continued.

TEMPERANCE

We your Committee on Temperance beg to report as follows: We know that it is the only way a man can live to please the Lord, that as He requires us to be temperate in all things, we know of a truth that our country is spending so much money, time and trouble on the account of being intemperate. Let us be temperate in all things, for that is the only way we can please our God. So let us put our shoulders to the wheel and put it down. The apostle Paul says that "no drunkard can enter the kingdom of God" (1 Cor. 6:9, 10); yet we foster this damnable traffic which costs us every day from January until December, $2,500,000. Submitted. A. M. Nix, *Chairman.*

Received for discussion and discussed by Elds. J. A. Rogers and J. F. Benson, and adopted.

EDUCATION

We your Committee on Education submit the following report: The crying demand of this age is Education, and it behooves every father and mother to give their children the best advantages possible along this line, so that their children may be better prepared for the duties of life. They should not only seek the development of the physical and mental powers but the heart as well. Therefore we recommend and urge parents to send their children to one of our great Baptist schools where they may get the right training.

We do hereby recommend that all Baptists do all in their power to push the educational work both to train them religiously and mentally. Respectfully submitted.

W. A. Jarrel, *Chairman.*

Report received; discussed by Elds. W. A. Jarrel and J. F. Benson, and adopted.

MINISTERIAL SUPPORT

Your Committee on Ministerial Support submits the following: We don't believe that the ministerial work is what it should be or what it could be. We believe when God impresses a man to preach his Gospel, setting his salary at a living, and he does the preaching, the laity should see that his living is provided.

We further believe that the Lord does not do things by halves, and the call if for full time, and if he is provided with the salary laid down in God's word, much more would be accomplished in His name. Somebody is to blame. Who is it?

W. T. LESSENBERRY, *Chairman.*

Received and discussed by Dr. J. G. Chastain, Elds. Chas. Nelson, J. A. Rogers, W. O. Stockton, and adopted.

NOMINATIONS

We your Committee on Nominations beg leave to make the following report: We find Belmont, Salem and Jackson's Camp asking for the next Association. Eld. W. W. Jarrel to preach the Introductory Sermon; Eld. J. T. Robinson, alternate. Eld. J. F. Benson to preach the Missionary Sermon, Sunday at 11 o'clock; Eld. G. A. Senter, alternate. Respectfully submitted.

A. L. ANDERSON, *Chairman.*

Report received and a rising vote was taken for the churches asking for the next Association. Salem received a plurality of votes and on motion it was unanimously selected for the next place of meeting in 1914.

ORPHANS' HOME

Your Committee on Orphans' Home submit the following: Inasmuch as the great God of the universe has impressed the Baptists of the great State of Mississippi with the method of erecting and maintaining of an Orphans' Home in her bounds; we believe in this work, but we are sorry to note how little this Association is doing for this instittuion. Your Committee recommends that each messenger go to his church and ask them to do more for these Orphans than ever before. Respectfully submitted. J. E. SUMMERS, *Chairman.*

Received and adopted.

CHURCH DISCIPLINE

We your Committee on Church Discipline ask permission to report. We believe that the great hindering cause to progress in church work, to the growth of Christianity, and to the salvation of souls, can be traced to slack methods of church discipline

in our churches. The world's opinion of the church and Christianity is based on the lives of professed Christians, and the church loses the respect of the world when it reains in its fellowship members who walk disorderly. 2 Thess. 3:6-11.

We also believe that the church should withdraw from a member who habitually indulges in dram drinking with the unconverted.

We further believe that in permitting heresies to be preached in our churches and in sanctioning same by our presence and participation retards the progress of our cause. Strict discipline is the crying need of our churches. Submitted.

D. W. GRAHAM, *Chairman.*

Received and discussed by S. T. Graham, Elds. B. F. Whitten, Chas. Nelson, and adopted.

DESTITUTION

We your Committee on Destitution submit our report. We find a destitution at Colton Springs in Tishomingo County, and at Mineral Springs in Tishomingo County, also at Sulphur Springs, Mt. Gilead, Evening Shade School House in Itawamba County. Submitted. S. W. BUTLER, *Chairman.*

Report received and adopted.

OBITUARIES

Your Committee on Obituaries report, that according to the letters from the various churches, we find the deaths in our bounds as follows: Golden—Sister Malinda Yarber. Antioch—Sister A. Kent and Bro. Wm. Kent. Fairview—Sister Lou Byram. Providence—Sister Fannie Hopkins. Shiloh—Bro. W. F. Hall, Sisters Pollie Hall and Malissie Pugh. Bethlehem—Sister Mary Nixon. Salem—Sister Mary Waddle. Union Grove—Sister Louisa Parker. Belmont—Bro. C. C. Shook, Bro. J. L. Vinson and Sisters Hattie Yarber and Fay Benick.

Last year we lost fifteen, and the same number this year. Death being abroad in the land and claims for its victims the old and young alike, prepared and unprepared, not knowing when the summons will be executed on us, we trust that all may be ready for it when it comes. Grieve not for them as for those who have no hope. Submitted.

E. R. GOOGE, *Chairman.*

Report received and adopted.

Resolved, that while the messengers have been assembled with this church and people enjoying their kindness and sweet hospitalities, we have been made to feel and enjoy the sweet pleasures of the great beyond.

We know it has been good for us to be here and do business for Him who doeth all things well. There is and will ever be a green spot in our memory of the kindness shown us while we have had such a pleasant stay with the God-loving people of Liberty Grove.

When we cross the river of death,
And meet the redeemed above,
There may we enjoy that heaverly rest,
With the people around Liberty Grove.
